

Sherborne Qatar Newsletter

14th January 2010

Parents' Meetings

Parents meetings are due to take place on January 18th and 19th. Please write your name on the lists in the reception area to book your time to speak to your son or daughter's class teacher. The specialist teachers will also be available if you wish to speak to them. If you are unable to come to school to book a time, please email your child's teacher to arrange your appointment time. Those parents who signed up before Thursday, please check the date and time as I made an error on some sheets. *Mr Prowse*

Sherborne Qatar Parents Association

We plan to hold the first meeting during the week beginning 24th January. If you would like to join the Parents' Association please let Mr Prowse know: nprowse@sherborneqatar.org

Open Day

There will be an Open Day for prospective parents on February 2nd. Next term there will be an Open Day for existing Sherborne Qatar parents.

Uniform

Please could you ensure that all items of uniform and school bags are named. Some children have taken home their friends' bags by mistake recently. Please check the name on your son/ daughter's bag if possible when you leave school.

Trip to see Manchester United Train

Sorry to all the children who had been hoping to watch Manchester United train on Wednesday afternoon. Unfortunately they decided to return to Manchester earlier than planned.

Lots of fun in Reception!

The Reception children were delighted with their new playground equipment that arrived this week.

Library news

Ms Rees writes: we now have five computers in the library which are connected to the internet. The children have already been using them to help them with their research.

P.E. Kit

Please could you ensure that your children have the correct PE kit in school.

After School Activities Programme

Thank you for your patience while we finalise the arrangements for the activities programme. We are sorry that some children have not been able to do their first choice of activity this term.

The Reception children may have lovely new play equipment, but we see here that cardboard boxes are just as much fun to play with!
