## Library News

### Nick Toczek Visit

I would like to remind parents that British poet and author Nick Toczek will be visiting us next Monday, 9<sup>th</sup> November. If children wish to buy books from Nick they must bring in money on the day, in an envelope marked with their name and class. The books cost 45 QAR each or 80 QAR for both. Some children have already submitted money, and they will of course receive their books; however, time is allocated for a book signing, in which Nick meets the children personally as they make their purchase.

### Red House International Book Club

All children have been sent home with a letter about this 'club' which represents a good opportunity to buy books. Each child has been given two or three catalogue leaflets, with their respective order forms. Participation in the book club will be a termly event. This term the closing date for submitting completed order forms and cash to school is Thursday 19<sup>th</sup> November. Please use only the white order forms in QAR, and not the forms on the leaflets.

### Library Borrowing

You will be aware that the Sherborne Qatar library is growing constantly. Sadly it has so far not been possible to function as a lending library. However, I now hope that by the end of this week we will start to issue some books to children for them to read at home. The loan period will be 14 days. More information will follow.
