

SHERBORNE QATAR

Date: 18th January 2012

Dear Parents,

The school and the Parents Association have been working together to research various school lunch options, a need that we have all felt and have heard you express. We are delighted to inform you that we have signed a contract with a reputable catering service Sodexho.

Sodexho is the catering services provider for many schools in Doha such as the American School of Doha, Doha Montessori British School, French School, and Qatar Foundation. We have chosen Sodexho because they uphold high health and safety standards, and meet the requirements for the healthy options and food hygiene required by the SEC. Please find attached information about the company, a sample menu and a sample coupon.

The school lunch programme will begin on January 29th and will be for pupils from Year 2 to Year 9. We will review the programme at the end of the term and consider extending it to the younger years.

There will be 3 coupon amounts: QR 1, QR 2 & QR 5, each one for a different color (pink, blue and green). Coupons will be sold by booklet, every booklet has a total value of QR 50, (QR1 booklet will have 50 coupons, QR2 booklet will have 25coupons, and QR5 will have 10 coupons). Coupon booklets can be purchased every Sunday morning from a Sodexho representative in the school entrance.

We suggest that you write your child's name and class on the back of each coupon. To help younger children, we also suggest that you check the menu the night before and send the correct amount with your child.

Please note that this is not a mandatory lunch program. Your child is welcome to bring a home packed lunch, snack and also has the option to purchase a school lunch on the days you choose.

Here are some highlights of the programme:

- There will be breakfast available from 6:30 am to 7:15 am
- Snack will be available in the morning break
- There will be hot lunches, sandwiches, salads, and a variety of other items available a la carte
