A Gift To the School

Sheikh Abdulla has received a wonderful gift from Ali Al Saad, the son of Amna Al Mahmoud. As you probably know, one of our five school houses is named after Amna Al Mahmoud who was the principal and a teacher at the first girls' school in Qatar. The gift is a beautiful painting of Amna Al Mahmoud teaching young girls and also a book about her life.

The children were shown the painting in assembly and it will soon be hung in the Auditorium where we hope you will come and see it.

We are very grateful to Ali Al Saad and we are sure that it will help Sherborne pupils realise what an inspiration Amna Al Mahmoud was, especially to many girls in Qatar

Below are the Year 8 members of Amna house with the painting.

Parent Teacher Meetings Next Week

You should have received a letter about the Parents' Meetings taking place next week. Years 6-8 on Sunday, Reception – Year 2 on Monday and Year 3 – 5 on Wednesday.) These are designed to be short, 'settling into the year' meetings to give a general overview of how the year has started for your child. If you would like to arrange a meeting time please don't forget to contact your child's class teacher or tutor to request an appointment within a particular time slot: 2-3 pm, 3-4pm or 4-5 pm.

Parents' Association

All parents are invited to the monthly coffee morning which is planned next Monday the 1st of November in the school cafeteria. The coffee mornings are done on the first monday of every month as of 7:30AM till 8:30AM. Join in, socialize and enjoy a nice snack and coffee with all parents.

The school plans for Pre-Eid Event are being finalized. All parents are invited to volunteer and/or participate. If interested please contact: omneyahelmy@gmail.com from the PA or Mr. Bassam, head of the arabic department. Looking forward to a great event.

From Monday of next week the School Doctor will be conducting basic medical examinations of all the children in the school. If you do not wish the Doctor to examine your child please contact the school office or email Doctor Hajer: nurse@sherborneqatar.org

Lost Property

Saif Mir of 4K has lost two hats, they have been named. Please can you check that your child doesn't have one of Saif's hats by mistake?

Fundraising For Pakistan

I had the idea of fundraising as some of my relatives live in Pakistan and were affected by the flooding. My Aunty lost her home in the floods but luckily she and her family weren't in it at the time. I wanted to see what I could do to help people in Pakistan and I thought a cake sale would be a good way to raise a lot of money. I spoke to the whole school in assembly and we saw a video about the flood damage. Today many of my friends have brought cakes to sell at break time and after school. I hope we can raise 800 Riyals to help people who have been affected by the floods.

Thank you to everyone for your support.
